

Code of Conduct Contract

***Signatures are required in order to process registration**

Dear Parents and Students,

The Town of Clinton Parks and Playground Commission has offered the Summer Recreation Program for over 25 years. It has always been a fun and safe place for children from the Town of Clinton, Glen Gardner, and other local areas to go.

While the vast majority of attendees behave responsibly, over the last several years we have seen an increase in inappropriate behaviors. In order to maintain a safe and enjoyable atmosphere, we are requiring each student and one of their parents sign the Code of Conduct Contract below. **This contract MUST be signed by both parent and child and attached to the registration papers in order to process registration.**

A child will be removed from the program if any of the expectations listed below are not followed. Removal will be for the remainder of the season and NO refund will be issued.

If you have questions or concerns, please contact Tiffany Cinquemani, Director.

In order to ensure the safety and enjoyment of the Town of Clinton Summer Recreation Program for all persons involved, I will comply with the expectations listed below:

- Use appropriate language – no cursing
- Comply with the bus rules established by the bus driver
- Stay in the designated areas of the school
- Display respect toward staff members and fellow registrants
- Display respect to the school property and items belonging to the recreation program
- Respect items that belong to others
- Use safe practices when on a field trip
- Comply with all the rules established by the Summer Recreation Staff

I understand that failure to comply with the above expectations will result in removal from the program, with no refund issued.
